

Meeting rooms. Meeting needs.

TWE have two dedicated meeting rooms being great locations for your meeting, training or presentation event. Below we list some details but would be pleased to discuss the details for your event and tailor a package to meet your needs.

The Conference Room

Located on the ground floor of the main bedroom block, our meeting room can be arranged to suit your needs – accommodating comfortably 12-18 people in a boardroom layout, or up to 30 in a theatre style. The room has natural daylight, with blinds, plenty of power points and space for your refreshments. We have for your use flip charts, projector screen and lay the room with pencils, paper and mineral waters. There is level access to the car park and to the restaurant area and nearby cloakrooms.

The Cellar Room

Our second meeting room is the unique cellar room, with its entrance through the main building, or directly from our decking area outside. The room is slightly smaller than the conference room, still has natural daylight, and will comfortably accommodate 16 boardroom style or 20 theatre style. The room leads through to the cellar bar, great for informal breakouts, teas and coffees or end of meeting celebrations.

Bedroom Accommodation

We have 20 bedrooms, including twins, doubles and a room specifically adapted for the needs of our disabled guests. All rooms enjoy double glazing and controllable under floor heating.
